

ASSISTANCE OUTREACH PROGRAM

Wisconsin's Home Energy Assistance Program (WHEAP) provides home heating assistance to eligible households. WHEAP heating assistance is a one-time benefit payment per heating season (October 1 through May 15). It is intended to help pay a portion of a household's heating costs, not the entire annual cost of heating a home. The amount of heating assistance benefit depends on the household's size, income and heating costs.

Households with income at or below 60% of Wisconsin State Median Income (SMI) may be eligible for assistance. Households may be eligible if gross income for the last three months is less than the amount shown below for your family size.

Appointments are required. If you are an Oneida County resident and would like to schedule an appointment at any of the Oneida County locations or for more information contact the Oneida County Department of Social Services at 715-362-5695 or call toll-free at 1-888-662-5695.
